STATEMENT UNDER 37 C.F.R. §1.78(a)(6)(ii)

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Pursuant to 37 C.F.R. §1.78(a)(6)(ii), it is submitted that the entire delay between the date the claim under 35 U.S.C. §119(e) was due under 37 C.F.R. §1.78(a)(5) (July 24, 2001, which was sixteen months after the filing of U.S. Provisional Application No. 60/191,755) and the date the claim was filed (August 2, 2001) was unintentional.

Specifically, the filing of the sworn English translation of U.S. Provisional Application No. 60/191,755 in the non-provisional was inadvertently not docketed after the rule change which became effective November 29, 2000, and the error was first discovered after the deadline for filing the sworn translation was missed. Thus, a copy of the sworn English language translation of the provisional application is being submitted concurrently herewith (the original sworn English translation was filed in the provisional).

Respectfully submitted,

Bruce E. Kramer  
Registration No. 33,725
